CADUK offer a variety of Level 2 NVQ Diplomas and Certificates in Plant and Lifting Operations (Construction) via a unique one-day on-site assessment.

Our Level 2 NVQ Diplomas in Plant/Lifting Operations include:

- (D) SLINGING AND SIGNALLING
- (D) CRAWLER CRANE
- (D) TOWER CRANE
- (D) MOBILE CRANE
- (D) 360 DEGREE EXCAVATOR

Benefits of CADUK Assessment

- One day on-site assessment.
- Fast Track access to Blue CPCS Card within 1-5 days of the assessment.
- Electronic assessment recording system - no messy paper portfolios.

What are the entry requirements?

Learners must already hold a Red Trained Operator CPCS card and have a minimum of 6 months experience operating the item of plant before they can be assessed for the NVQ.

How is the NVQ assessed?

CADUK provide a one-day assessment delivered on-site, captured electronically by our assessor through CADUK's bespoke recording system.

What is the duration of the NVQ?

The assessment will be completed on-site in a single day.

The learner must ensure that access to a suitable location on-site is available for the recorded discussion to take place such as a site office or similar quiet place.

When will I receive my certificate?

CADUK have a Fast-Track facility that enables candidates to apply for their Blue CPCS card within 1-5 days of the assessment taking place. This is ideal for people who's Red CPCS cards are coming up for renewal and therefore require a replacement card very quickly.

What is the costs of the NVQ?

- NVQ Certificates (C) £799.00
- NVQ Diplomas (D) £865.00

Prices Include VAT & Registration Fees.

*Travel charges may be applicable if the site is outside the London area. Please contact us for more information
